

FISCAL NOTE

SJR 671

February 3, 2004

SUMMARY OF BILL: Creates a fee schedule study commission to study the fees regulated and collected by the state.

ESTIMATED FISCAL IMPACT:

**Increase State Expenditures - Exceeds \$100,000 FY05
Exceeds \$50,000 FY06**

Estimate assumes:

- the bill provides for the existence of the commission for all of FY05 and only seven months of FY06. Therefore, the costs attributable to the bill will occur within those two fiscal years.
- due to the broad scope of the bill and the number of agencies involved, there will be a significant need for staff to accumulate, organize, and present information to the committee. The bill provides for funding for such staff, subject to funds provided by the general appropriations act.
